

# Sanislo's Friday Bake Sale

**This month is your child's grade to provide treats and support for the Friday Bake Sale!**

Here is what we need from your grade:

**Popcorn**: Takes about 45min-1 hour to pop 60-70 small bags of popcorn. Popcorn popper is in the teacher's lounge and instructions are on the door of the popcorn cabinet. 2 people: one to keep popping, and one to bag

**Bakery items**: Need 6-8 dozen (usually 3 people bringing something). Bring it in the morning or afternoon and put it in teacher's lounge labeled "BAKE SALE".

**Selling**: If nice, it's great to go outside. Bring a table from the "cafeteria" (in front of the PC) 2 - 3 people are good.

**Counting Money**: Count money (it's great if you can roll the coins) and put it in a manila envelope. The office has some. If there's someone around that knows the combo to the gold box, put it in there. Otherwise, give it to Mr. Rhodes.
